NATIONAL FEDERATION OF REPUBLICAN WOMEN MAGA **ACTION ALERT**

Calling Women to Action on Pending Issues

Home Stretch Campaign Opportunities

RIDE THE RED WAVE!

There is less than TWO WEEKS time until the Midterm election. Early Voting has begun across the United States, and record-breaking numbers are being reported everywhere. **It is NOT too late for us to make a difference.** NFRW ladies have never avoided an opportunity to impact an election, and now is no exception.

I am personally making a donation to each of the campaigns below and encourage you to do the same. If you can donate your time to make phone calls, please do so. We are in crunch time.

I do not want to neglect the House Races. Remember our ladies in races across the U.S. As you know, the MSM wants us to believe that the House is lost to Republicans. Let's remember that they were wrong in 2016!

With the antics of the Democrats in the Kavanaugh hearings and the **mob**

mentality being promoted by the Left, we can see that they are NOT FIT to lead. As we approach the HOME STRETCH, let's not grow weary in our tasks. Victory in 2018! #RedWave18

Thank you, NFRW Ladies, for your help. Together, we can make a difference!!!
