### 2018 Election Spotlight

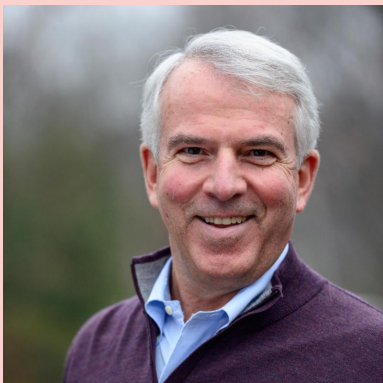

November 1, 2018

For the 2018 midterm elections, the NFRW's goal is to **DEFY HISTORY** by holding on to our Republican majorities in the House and the Senate (historically, the President's party almost always loses seats in the midterm election).

#### **WE NEED YOU TO HELP!**

Between now and election day, the NFRW will be profiling Republican candidates in the top Senate races as well as key Republican women in or running for the House. These races are key to maintaining Republican control of the House and Senate.

#### We Need **Bob Hugin** of New Jersey in the U.S. Senate!

**NEW JERSEY**

#### **WHY is BOB running?**

*"I'm in this race for one reason: to serve the people of New Jersey. For far too long, career politicians in Washington have put self-interest and the interests of their political party ahead of the people they are supposed to be serving. New Jersey deserves better. When I go to Washington, the only people I will answer to are the people of New Jersey. My commitment to every New Jerseyan is that I will be an independent voice who*

## WHAT makes BOB a great candidate?

Last week, the *Cook Political Report* moved the New Jersey Senate race into the "Toss Up" column. This is an opportunity to flip a seat and remove a career politician who has been dogged by corruption charges.

Service

- **Record of Service & Achievement:** Raised in New Jersey, Bob Hugin grew up in a diverse, hardworking neighborhood in Union City. He was the first person in his family to attend college, earning a full scholarship to Princeton University. After graduation, Bob joined the Marine Corps, where he served as an active duty infantry officer from 1976-83 and as a Reserve Officer from 1983-90.
- **Leader on Healthcare:** Bob earned his MBA from the Darden School of Graduate Business Administration at the University of Virginia. Bob spent the last 19 years as a leader in healthcare and vocal advocate for modernizing the American healthcare system, serving as Chairman and CEO of the Celgene Corporation and as a Trustee of the Atlantic Health System.
- **Private-Sector Job Creator:** When Bob joined Celgene in 1999, the company had approximately 200 employees and less than six weeks of cash. Under his leadership and through the work of its employees, that company was transformed into one of New Jersey's largest private-sector employers – an innovative biotech company known around the world for leading the fight against cancer and chronic disease. *Forbes* honored Celgene as the #9 company on their list of "World's Best Employers" in 2018.
