

Trump Administration Accomplishments

Updated: December 6, 2019

The below is a brief summary of the top accomplishments achieved under President Trump's administration.

Economy

President Trump's policies have put the American economy into high gear.

- Since President Trump was elected 7.1 million jobs have been created.
- Over 500,000 manufacturing jobs have been created since the President was elected.
- The current unemployment rate is 3.5%, a 50-year low.
- Highlights of November's jobs report:
 - 266,000 jobs were created in November.
 - Positive revisions to September and October added an additional 41,000 jobs. This brings the net total to 307,000.
 - In November, 54,000 manufacturing jobs were added
 - November marked the 21st consecutive month that the unemployment rate has been at or below 4%.
 - Wage growth is up 3.1% year over year, the 16th consecutive month in a row wages have risen above 3%.
- Throughout the Trump Administration we have seen record low unemployment for women, African Americans, Latino Americans, and Asian Americans. In November:
 - African American unemployment rate was at a near record low of 5.5%.
 - The Hispanic American unemployment rate was at a near record low of 4.2%.
 - The Asian American unemployment rate was 2.6%, near a historic low.
 - Women's unemployment remained steady at a near record low of 3.5%.
- President Trump's approval rating among small business owners is at 60%, an all-time high.
- The Dow Jones Industrial Average hit record highs 100 times under President Trump.
- Under President Trump, 6.2 million people have come off food stamps.
- Under President Trump's leadership, Congress passed historic tax cuts and relief for hard-working Americans. The Tax Cuts and Jobs Act is the first major tax reform signed in 30 years.
 - As a result of the historic tax cuts, nearly 9,000 Opportunity Zones were created in all 50 states, DC, and 5 territories. Opportunity Zones will spur \$100 billion in private capital investment and impact nearly 35 million Americans.
 - The Tax Cuts and Jobs Act increased the Child Tax Credit by 100% keeping more money in the pockets of hardworking mothers.
- Economic confidence rebounded to record highs under President Trump because his pro-growth policies have and continue to put American workers and businesses first.

- President Trump has rolled back unnecessary job-killing regulations at a historic pace.
 - The Administration has cut 8 and a half regulations for every new rule.
 - This far exceeds the promise made to cut 2 regulations for every 1 regulation added.
 - Regulatory costs have been slashed by nearly \$50 billion and have saved taxpayers \$220 billion once actions are implemented.
 - The deregulation efforts will save American households an estimated \$3,100 per year.
 - The Administration formed the Governors' Initiative on Regulatory Innovation which aims to better align state and Federal efforts to cut additional unnecessary regulations and costs.

Immigration

President Trump is working to secure our border.

- President Trump is fulfilling his promise to build a border wall, with sizable portions already finished or under construction.
 - It's expected that 450 miles will be finished by the end of 2020.
 - To date, 66 miles of the new wall has replaced an old and ineffective barrier.
 - Currently, 167 miles of wall is under construction in high entry sectors such as San Diego, El Centro, El Paso, and Yuma.
 - The new wall has contributed to a 56% overall decrease in the number of illegal migrant arrivals at the border.
- Under President Trump, the U.S. Border Patrol has arrested hundreds of members of dangerous gangs.
- The President has strongly enforced our nation's immigration laws by cracking down on illegal immigration and taken aim at "sanctuary cities."
- President Trump has called on Congress to close dangerous loopholes such as "Catch and Release," end chain migration, and end the visa lottery program which enables illegal immigration.
- The Administration is looking to close the *Flores Settlement Agreement* that requires the government to release families into the country after 20 days. This loophole has been exploited by smugglers who use children as pawns to enter our country.
- We are closing asylum loopholes – recently, the Administration instituted a new rule requiring migrants who come to our border to have previously applied and been denied to a country they passed through.
- The Trump Administration announced they are releasing a "Public Charge Rule" that will ensure non-citizens do not abuse our nation's public benefits. This rule will go into effect on 10/15/19.
- President Trump was successful in his efforts to get Mexico and the Northern Triangle countries to step up and help stop the crisis at the border.
 - President Trump's successful negotiations have [led](#) to 28% drop in migrants taken into custody in June.
- In May, President Trump announced a new immigration proposal that would modernize our system and secure the border.

- The Administration has made it a priority to end human trafficking and is using many resources to do so.
 - The Administration provided funding to support the National Human Trafficking Hotline.
 - The Anti-Trafficking Coordination Team (ACTeam) initiative more than doubled convictions of human traffickers and increased the number of defendants charged in ACTeam districts.

Foreign Policy

President Trump has restored our nation's standing in the world and is standing up to bad actors.

- The United States has successfully decimated ISIS.
- Under President Trump, the number one terrorist leader Abu Bakr al-Baghdadi was taken out.
- President Trump fulfilled his promise to name Jerusalem Israel's capital city and moved the U.S. Embassy
- President Trump held two historic summits with North Korean leader Kim Jong Un, further demonstrating the Administration's commitment to a denuclearized Korean peninsula.
- President Trump withdrew the U.S. from the Iran Nuclear Agreement and instituted the toughest sanctions in history to drive the regime's oil exports to zero.
 - In June 2019, President Trump signed an executive order that authorizes expanded sanctions against Iran.
- The Administration has vigorously and quickly enforced red lines against regimes and individuals that use chemical weapons.
- The Trump Administration has imposed sanctions on Russian entities and individuals previously indicted for their roles in Russian interference in our election.
- The Trump Administration imposed hard-hitting sanctions against Iran's national bank.

Trade

President Trump is delivering on his promise to correct trade imbalances.

- The Trump Administration had taken unprecedented steps to modernize and improve trading practices and negotiate freer, fairer, and reciprocal trade agreements with our global allies.
- President Trump has kept his promise to deliver a modern and rebalanced trade deal to replace NAFTA. The United States – Mexico – Canada Agreement (USMCA)
 - When ratified, the USCMA would spur economic growth, create 176,000 jobs, add \$68.2 billion to the U.S. economy, and raise wages.
- President Trump negotiated a new United States-Japan trade deal with Prime Minister Shinzo Abe. Japan is one of our strongest economic partners and this trade deal builds on that partnership. It is a big win for American farmers, ranchers, workers, and businesses.
- The Administration revised the United States -Korea Free Trade Agreement (KORUS) to make it more beneficial to American workers.

- The President and European Union President Juncker agreed to a new trade deal that strengthens and reforms our trade relationship. The agreement:
 - Works toward zero tariffs, zero non-tariff barriers, zero subsidies on non-automotive industrial goods.
 - Makes it easier for the EU to purchase liquefied gas.
 - Reduces trade and bureaucratic obstacles between the U.S. and the EU.
 - Addresses unfair trade practices.
- President Trump used tariffs to rattle China's economy and leaders for their trade cheating. The Administration is continuing to work on this trade agreement and will not accept a bad deal
- President Trump withdrew the United States from the flawed Trans-Pacific Partnership.
- President Trump has forced our allies to recommit to NATO.
- The Trump Administration has protected farmers from unfair trade practices by authorizing \$12 billion in aid to the American agricultural heartland under The Commodity Credit Corporation Charter Act.

Judicial

President Trump continues to reshape the Federal judiciary at a record pace and is following through on his promise to appoint judges who will uphold the Constitution and rule of law.

- President Trump continues to reshape the Federal judiciary at a record pace.
- President Trump has installed more federal court judges than any president in in the past four decades.
- The President is following through on his promise to appoint judges who will uphold the Constitution and rule of law for generations to come.
- President Trump has nominated, and the Senate has confirmed a grand total of 164 Article III judges.
 - 2 Supreme Court Justices – Justice Gorsuch and Justice Kavanaugh.
 - 48 Circuit Court judges.
 - President Trump has now appointed 1/4th of the nation's Circuit Courts.
 - 112 District Court judges.
 - 2 Court of International Trade Judges
- President Trump's judicial confirmations have "flipped" 3 – 2nd, 3rd, 11th Circuits - federal appeals courts to Republican.
- Under President Trump, an [additional 8.8%](#) of District Courts have a majority of judges appointed by Republicans.
- In 2018, President Trump broke the record for the most circuit court of appeals judges (29) confirmed in the first 2 years of a presidency.

Health Care

President Trump has reduced the cost of health care and taken significant steps to fight the opioid epidemic.

- President Trump has prioritized fixing our broken health care system and worked with Congress to implement a system that works for all Americans.
- The President has made it clear patients with preexisting conditions will be protected.
- The individual mandate penalty has been eliminated.

- Association Health Plans have been expanded.
- Short-term, limited duration insurance plans have been extended.
- President Trump is working to implement his plan to [lower prescription drugs](#).
- Under the Trump Administration, we have seen the [first ever decline](#) of average benchmark premiums on the federal health care exchange.
- The President signed an Executive Order to improve seniors' healthcare and improve the fiscal sustainability of Medicare.
- [Reforms to expand Medicare Advantage](#) options and Health Reimbursement Accounts have been expanded.
- President Trump mobilized his entire Administration to address the drug addiction and opioid abuse by declaring a Nationwide Public Health Emergency.
- President Trump signed the SUPPORT for Patients and Communities Act to fight the opioid epidemic.
- The Administration launched FindTreatment.gov a public resource to help combat substance abuse.
- President Trump signed an Executive Order that increases price and quality transparency.
- The Administration has committed to ending surprise billing.
- HHS is finalizing a rule that will require hospitals to make prices publicly available online and in a more consumer-friendly format.
- The Administration has proposed a rule to require insurance companies and group health plans to provide enrollees with cost estimates.
- The Trump Administration has promoted innovation and solutions to expand treatment options for Americans living with disease including HIV/AIDS, kidney disease, pediatric cancer, Alzheimer's, and more.
- The Administration launched a program to provide the HIV prevention drug PrEP to uninsured patients for free.

Environment

President Trump is promoting a clean and healthy environment for all Americans.

- The President and the Administration are continuing to pursue policies that encourage environmental protection while promoting economic growth.
 - Since 2005, our energy related carbon emissions have declined more than any other country. This is expected to decrease in 2019 and 2020.
- Our nation's environmental record is [one of the strongest in the world](#).
 - According to the White House, from 1970 to 2018, the combined emissions of the most common air pollutants fell 74% while the economy grew over 275%.
- We have the cleanest air on record and remain a global leader for access to clean drinking water. The President has taken important steps to restore, preserve, and protect our land, air, and waters.
 - The Save our Seas Act was signed into law in 2018. This law reauthorized the NOAA Marine Debris Program, promoting international action to reduce marine debris and authorizing cleanup and response actions that may be needed.
 - The EPA has taken significant steps to clean up our contaminated sites and hazardous sites.

- In FY2018, the EPA completed cleanup work on 22 Superfund sites from the National Priorities list. This is the largest number in one year since 2005.
 - The EPA is more efficiently implementing air quality standards that will better protect the environment and human health.
- The President's management of our nation's lands promotes conservation while encouraging good stewardship and expanding recreational opportunities.
 - Just this year, President Trump signed legislation designating 1.3 million new acres of wilderness - the largest public lands legislation in a decade.
 - The Department of the Interior proposed to open more than 1 million acres of land for expanded hunting and fishing access.
 - The President took important action to improve management of forests to help prevent devastating forest fires.

Energy

President Trump's policies have begun to unleash our nation's energy potential.

- President Trump signed an Executive Order to expand offshore oil and gas drilling and open more leases to develop offshore drilling.
- The Administration acted aggressively to increase exports of energy resources to the global market and allowed financing for coal and fossil energy projects.
- President Trump has approved the infrastructure and provided the resources needed to unleash Oil and gas production in the U.S.
 - The Keystone XL and Dakota Access pipelines were approved, supporting an estimated total of 42,000 jobs and \$2 billion in wages.
 - The New Burgos Pipeline, a cross-border project that will export U.S. gasoline to Mexico, was approved.
 - The Trump Administration reversed President Obama's moratorium on new leases for oil and gas development on Federal lands.
- The President rescinded President Obama's costly Clean Power Plan.
- The President proposed the Affordable Clean Energy Rule to reduce greenhouse gasses, empower states, promote energy independence, and facilitate economic growth and job creation.
- The Administration has rescinded many costly Obama-Era regulations including the methane emissions rule that would cost American energy developers an estimated \$530 million annually.
- The President announced his intent to withdrawal the U.S. from the unfair Paris Climate Accord.

Agriculture

President Trump and his Administration continue to help our farmers.

- In 2018, President Trump signed a sweeping new Farm Bill into law.
 - The Farm Bill provides support and stability to our farmers, expands crop insurance, doubles how much farmers can borrow and helps open new markets for our farmers.

- The President authorized the year-round sale of E15 gasoline which provided a boost to America's corn growing communities.
- Red tape that has harmed American farmers have been rolled back.
 - This includes eliminating the burdensome Obama-era Waters of the United States rule.
- The historic Tax Cuts and Jobs Act protected family farmers from the estate tax.
 - Thanks to the President's historic tax cuts legislation, the effective tax rate for farmers is expected to fall from 17.2% to 13.9%.
- President Trump is standing up for America's farmers by negotiating fairer, freer, and more reciprocal trade deals that remove barriers and open markets for American farmers.
 - President Trump negotiated the United States-Mexico-Canada Agreement (USMCA), getting a better deal for American farmers and ranchers.
 - Once ratified, the USMCA would increase America's Agricultural exports by \$2.2 billion.
 - The USMCA eliminates Canada's discriminatory programs that allow low-priced dairy products to undersell our nation's dairy producers.
 - USMCA includes expanded market access for dairy products, eggs, and poultry.
 - In a deal with the European Union, American soybean exports will be increased.
 - President Trump reached a new trade agreement with Japan. As a result, Japan will eliminate or reduce tariffs on approximately \$7.2 billion in U.S. agricultural exports.
 - President Trump continues to stand up to China and their unfair trade practices which target our farmers.
 - The Administration provided \$16 billion in funds to support our farmers against unfair trade retaliation.
- The Trump Administration continue to support and expand markets for America's farmers.
- Japan's market has been opened to all American beef.
- Restrictions have been eliminated on:
 - American pork exports to Argentina.
 - American beef to Brazil.
 - Idaho chipping potatoes to Japan.
 - American poultry to South Korea.
- President Trump signed an Executive Order directing Federal agencies to streamline the agricultural biotechnology regulatory process.
- The Trump Administration is working to promote connectivity in rural American by investing in rural broadband.
- President Trump is working to protect our Nation's forests.
 - In 2018, the President signed an Executive Order aimed at increasing responsible forest management and coordinating Federal, State, tribal, and local assets to prevent and combat wildfires.
 - In order to preserve the health of our forests, the Agriculture Improvement Act of 2018 was signed into law.

- President Trump and his administration continue to provide necessary disaster relief to impacted areas.

Education

President Trump and his administration are putting students and families first.

- The President understands the importance of education and continues to declare the last week in January National School Choice Week.
- The President signed a historic Executive Order that promotes and protects free speech on college campuses.
- President Trump and his Administration support the [Education Freedom Scholarships and Opportunity Act](#).
- In 2019, President Trump signed a memorandum that eliminates 100% of student loan debt for permanently disabled veterans.
- The President continues to work with the Department of Education to expand transparency and give students expanded access to vital information about the career outcomes of the programs they enroll in.
- President Trump has made Historically Black Colleges and Universities a priority, including appropriating [more money](#) to HBCUs in one year than any other president and establishing a Presidential Board of Advisors on HBCUs.
- The President is committed to expanding and strengthening education in science, technology, engineering, and mathematic (STEM).
